THE TANK CAR PEOPLE

Thoughts from our President...

Welcome to the 2023 Greater Valley Chamber of Commerce newly revamped Valley Guide and Map. We are very excited about the Guide this year and all it has to offer to those moving into our area and reminding our current residents of all our Valley has to offer! Take some time and read through! I bet you will stop and say, "I didn't know we had that in the Valley!"

Over the past year the GVCC has been working towards stronger relationships with our business community and we look forward to continuing this in 2023. A theme that seems to be continually appearing in our work is "Stronger Together", which in fact is being carried forward as our theme for the Greater Valley Chamber of Commerce United Valley Business Banquet this year. You cannot deny that by all of us working together it will only make us a stronger business community.

In the next year it is also our hope to expand on our work with building better relationships with our schools and students, educational seminars for our business members and more outreach events.

It is an exciting time in the Valley. We have a lot of movement towards making this area a place you want to live, shop, dine, and explore! We hope this guide will help you in all of this!

On behalf of the Greater Valley Chamber of Commerce we wish you all an amazing 2023 and we look forward to meeting, and working with you all, in making the Valley the Best Place to live, eat, shop, dine, play and explore!

Kim Mastrantonio

Reflections from Our Executive Director...

I am so excited to introduce you to the many outstanding members of the Greater Valley Chamber of Commerce. This Guide showcases the members of the GVCC who work to make this community exceptional. Throughout 2022, our organization has faced many challenges. Although we have had some growing pains, it has allowed us to learn and give us a proper footing. I am very pleased to have taken this position, and I hope to serve you all well. I have the pleasure of working with nearly 300 of our members from the Valley, who all have so much to offer our Community.

The changes we have made this year have allowed the GVCC to have a new, more vibrant look, one that recognizes the importance of tradition, but does not ignore the importance of growth and modernity. We are growing, adding value and giving back to our members and community through donations, involvement and promotion. The GVCC Board members and I are so grateful and energized about being an active part of all that The Valley offers. Our Community matters, and that is why we will do what we can to improve it.

The local Business Associations, Sayre Revitalization Initiative, in addition to our three area school districts are important aspects of our Community. We are working together to form greater, more effective connections, collaborations, and camaraderie. The emphasis of working together is strong. We have all participated in ribbon cuttings, game day celebrations, member gatherings, a Valley Triathlon, festivals, parades and special events. These are all equally important in the development of our community.

I am proud of our work. We should all be proud, as none of this would be possible without our combined efforts. As we welcome a new year, I remain optimistic and look forward to all that 2023 holds for the GVCC, Associations, Sayre Revitalization Initiative, our schools and the Valley as a whole. We are capable of accomplishing great things, and we are capable of growing a stronger business community. We appreciate the collective effort of the community and we are proud to serve you,

Jan Lee

**“I grew up here
in the Valley...
so for me, the
community matters.”**

Deb Twigg,
Teaoga Development

**MY VALLEY.
MY BANK.**

Teaoga Development's Deb Twigg wants to revitalize the Valley. Together, Deb and TSB VP, Commercial Services Officer Jon Ward, worked with government officials to advance an exciting revival story in Waverly using a \$1-million grant. Deb credits Jon for keeping the project on track. In TSB she found a good fit and in Jon, a supportive friend. He saw the project through the eyes of an independent community banker who lives where he works. While a lot of banks claim to be community banks, Deb says she only knows of one in the area. TSB is that bank.

Valley Relief Council (VRC) was established in September 2011, as a group of like-minded community volunteers, interested in partnering with local businesses, and community-based agencies, to coordinate resources for our neighbors within Sayre/Athens (PA) & Waverly (NY) School districts.

The VRC Mission is to assist qualified **homeowners** to remain safely in their homes.

Successful applicants will have skilled volunteers complete minor home repairs, and safety projects, within the home environment.

Valley Relief Council also collaborates with partnering agencies, to complete referrals, and assist with outreach programs within the region.

VRC is a 503(c) agency supported by community volunteers, financial/material donations, and is a recipient of funding from the United Way of Bradford County.

For further information, to volunteer, to donate, or to apply, please contact (570) 423-9617; www.facebook.com/vrc.sayre.athens
